WHAT IS THE GLOBAL LEADERS SUMMER CAMP IN VANCOUVER?

Global Leaders in Vancouver is a program designed specifically with the student in mind. Beginning in the classroom students will work on developing valuable life skills, such as leadership development, goal-setting and English proficiency. In the afternoons, students will take part in exciting activities and field trips and choose to develop their athletic or artistic skills in our English clubs in the afternoon. On the weekends, the fun and adventures continue with full-day activities on both Saturdays and Sundays. A great experience awaits!

WHERE DOES THE PROGRAM TAKE PLACE?

The City of Vancouver

As one of the world's most famous cities, Vancouver offers a wealth of sight-seeing options and activities for anyone visiting. Whether it is taking a leisurely stroll around Stanley park, taking in the sights of the city or viewing the city high atop Grouse Mountain, there is something for everyone to do. Home to the 2010 Winter Olympics, Vancouver is often praised as one of the most beautiful cities in the world and when you come to visit, you will surely understand why!

UBC Campus Grounds & Classrooms

The University of British Columbia is one of Canada's most famous and recognized university located just outside downtown Vancouver. English Classes are approximately 12 hours of study per week. During the first class, students will develop their writing, goal-setting and leadership skills, in the second and third classes students will study and practice their grammar and reading skills, which will be based on the leadership focus of the day and in the communication class, they will practice speaking and listening also based on the leadership focus for the day.

Clubs are an opportunity for students to develop their English while practicing and learning other new skills. Students will choose to either join our athletics program or our artistic program. In each of these, the students will enhance either their artistic or athletic skills while advancing their English skills

Evening & Extra Activities

Each evening students will have the chance to participate in different activities. These activities include games, challenge nights, talent shows, dance parties, and more.
