

THE ENGLISH LANGUAGE INSTITUTE

The ELI is an intensive ESL program for international students who wish to improve their English for academic, professional or personal reasons. The ELI is recognized for its excellence in teaching, resources and technology.

THE ENGLISH LANGUAGE INSTITUTE

As a Seneca ELI student, you're a real part of Seneca College. You study on campus and use all of Seneca's facilities and resources. You can live in residence on campus, and you can join international students on activities and trips in Toronto, Canada, and abroad.

THE ELI PROGRAM

- There are 8 levels in the ELI program; each level lasts 7 weeks
- There are 6 start dates per year: January, March, May, July, September, and November
- Study 25 hours per week (schedules vary) (see our website for a sample schedule)
- At Levels 6, 7 and 8, you'll begin studying English and professional subjects at Seneca for credit at the same time
- When you finish Level 8, you can enter one of Seneca's professional programs without any further English testing, providing you meet all other academic requirements

Level 8 is 7 weeks in March, July and November; Level 8 is 14 weeks in January, May and September

TESTIMONIAL

Myung Hwan (Rooney) Cho

South Korea
Travel and Tourism, 2009
Korean Air Handling Agent for Servisair at
Toronto Pearson International Airport (Toronto)

"The ELI helped me a lot, not only for speaking English, but also for my writing. They showed me how to write, and once you know how to write, speaking is easier. My first job after graduating was at a travel agency. And that company was where I did my co-op. They let me spend extra time there learning; they liked me... and then once I finished, they just hired me. I really appreciated co-op."
